Welcome!

Timberland Cattle would like to extend to you a personal invitation to our 7th Annual Black Angus & SimAngus Spring Female Cattle Sale to be held at our farm on Saturday, May 6, 12 noon, near Vernon, Alabama.

Black Angus and SimAngus genetics are a winning combination these days. We believe our females with top-of-the-line genetics have the ability to enhance your chances of success for many years to come. The satisfaction of our customers is important to us, so if you have any questions or concerns about the animals you purchase from us, please give us a call. Our farm crew will do everything possible to earn your respect and confidence in our cattle.

Before and during the sale, three 65" television screens will show videos of the cattle. Bids will be taken by the ringmen and auctioneer as usual; but the animals will not be traveling through a sale ring. Some commercial lots will not have videos, but all cattle can be previewed Friday afternoon or Saturday morning before the auction. You also have the option of bidding online through www.DVAuction.com.

Feel free to call and visit with any of us about our cattle at 205/695-6314. We look forward to visiting with you!

Thanks for your interest in our cattle!

Three 65” television screens will show videos of the registered cattle to the bidders during the auction. Bids will be taken by the ringmen and auctioneer as usual; but animals will not be traveling through a sale ring. Cattle will be on site and available for loadout immediately following the sale. Around April 15, a video of each of the registered animals can be viewed online at www.DVAuction.com; or you can simply click on the video link on our website at www.timberlandcattle.com.
